The Time and Date of the big event

Sacraments are a public event. Rarely does anyone celebrate their First Eucharist or a wedding in private. In the same way, baptism should be celebrated as a community event. Prior to the baptism, parents need to participate in a Baptismal Catechesis, after which the baptisms is scheduled. If you have a special needs to be considered when scheduling the baptism, please share those with us and we will try our best to accommodate those needs for you.
